

PRODUCT DATA SHEET – 315410010

As of: **04.03.2026**

Article number / Width:	315410010 – 80 mm	315500010 – 200 mm
	315430010 – 100 mm	315510010 – 225 mm
	315450010 – 125 mm	315520010 – 250 mm
	315460010 – 140 mm	315530010 – 280 mm
	315470010 – 150 mm	315540010 – 300 mm
	315480010 – 160 mm	315550010 – 315 mm
	315490010 – 180 mm	315570010 – 355 mm
		315580010 – 400 mm

Product name: Gebhardt Pipe clamp for spiral-seam tubes with insulation rubber

Field of application: Assembling system for spiral-seam tubes / circular ductwork

Material: Galvanized steel

Dimensions: Width: 20 mm Thickness: 1.8 mm

Locking screws: M 6 x 20 mm

Nominal width: 80 mm – 400 mm

Insulation rubber: PVC; colour: black

Characteristics:

- 2-part screw fixed pipe clamp with a welded on combination nut M8/M10
- Form-fitting sound insulation insert
- Quick and convenient installation due to wide opening angles
- Easy installation with click-in lock
- High load-bearing capacity due to reinforcing bead
- Good adaptation to pipe tolerances thanks to 2 screw plugs
- Screw plugs with M6 combination cross recess

Weight:

80 mm: approx. 0.16 kg/pc	200 mm: approx.. 0.30 kg/pc
100 mm: approx.. 0.18 kg/pc	225 mm: approx. 0.33 kg/pc
125 mm: approx. 0.20 kg/pc	250 mm: approx. 0.37 kg/pc
140 mm: approx. 0.22 kg/pc	280 mm : approx. 0.40 kg/pc
150 mm: approx. 0.23 kg/pc	300 mm: approx. 0.42 kg/pc
160 mm: approx. 0.25 kg/pc	315 mm: approx.. 0.45 kg/pc
180 mm: approx. 0.28 kg/pc	355 mm: approx. 0.50 kg/pc
	400 mm: approx. 0.55 kg/pc

Delivery unit:

80 mm: box à 60 pcs	200 mm: box à 30 pcs
100 mm: box à 60 pcs	225 mm: box à 30 pcs
125 mm: box à 60 pcs	250 mm: box à 30 pcs
140 mm: box à 60 pcs	280 mm: box à 30 pcs
150 mm: box à 60 pcs	300 mm: box à 30 pcs
160 mm: box à 60 pcs	315 mm: box à 20 pcs
180 mm: box à 60 pcs	355 mm: box à 20 pcs
	400 mm: box à 20 pcs

REACH:

- REACH Regulation No. 1907/2006 - SVHC (Substances of Very High Concern):
- Substances of very high concern (SVHC), which are included in the updated candidate list (European Chemicals Agency of 05.02.2026), are not part of the insulation rubber:
- However, the presence of ubiquitous traces of substances of very high concern (SVHCs) cannot be completely ruled out.
 - The SVHC limit values are complied with.
 - The EU SVHC limit is usually orientated around 1000 ppm (0.1%).
