

Article number:	301020504	
Product name:	GEBHARDT S30 open-rolled	
Field of application:	Slip-on duct flange for connecting rectangular ductwork; open-rolled for building flexible duct connectors	
Material:	Strap steel 0,75 mm, zinc coated, according to DIN EN 10346	
Unit:	Bundles a 500 m, length 5.000 mm	
Weight:	0,63 kg/m	
Production method:	Cold roll forming	
Remarks:	Related corner pieces: SL30/3K, SL30/3, SKL30/3, S30/4. S30/3H Recommended flange length: Duct size less 32 mm Recommended flange length with Corner SD30/V, SKD30/V: Duct size \leq 5 mm
